8-Point Facelift

The 8-Point Facelift is an advanced, non-surgical facial rejuvenation treatment designed to lift, restore and redefine the face without surgery.

Using carefully placed dermal filler at strategic points, the treatment restores lost volume, supports the facial structure and improves definition through the cheeks, jawline and lower face.

Rather than simply filling individual lines, the 8-Point Facelift takes a whole-face approach, creating a fresher, more youthful appearance whilst maintaining natural facial proportions.

- Restores lost facial volume
- Creates a subtle lifting effect
- Enhances cheek and jawline definition
- Softens the appearance of lines and folds
- Individually tailored to your facial anatomy
- Natural-looking results with minimal downtime

Perfect for clients who feel their face has started to look tired, less defined or has lost some of its youthful structure.

8-Point Facelift	From £399

Mono Threads

Mono threads are smooth, dissolvable threads placed beneath the skin to stimulate collagen production. The aim is a subtle improvement in firmness, texture and fine lines as the skin responds over time.

PDO is a commonly used material and stands for polydioxanone. Unlike cog threads, mono threads have no barbs and are a gentle alternative

Radiesse - Lift, Define & Stimulate

Radiesse is an advanced injectable treatment designed to restore structure, improve definition and stimulate your skin's natural collagen production.

Unlike a traditional hyaluronic acid filler, Radiesse contains calcium hydroxylapatite (CaHA) microspheres. It provides an immediate volumising and contouring effect whilst also encouraging the production of new collagen and elastin over time.

- Restores lost volume and facial structure
- Defines and contours the face
- Stimulates collagen and elastin
- Improves skin firmness and quality
- Creates natural-looking, progressive results
- Particularly suited to areas requiring structure and support

Radiesse can also be used in a more diluted form as a biostimulatory treatment, focusing on improving skin quality, firmness and laxity rather than simply adding volume.

Radiesse Lift	From £299
---------------	-----------

Small area (lip lines)	£100- £200
Cheeks or lower face	£200 - £350
Neck	£150 - £200

Profilo - Hydrate, Firm & Rejuvenate

Profilo is an injectable hyaluronic acid treatment designed to improve skin hydration, firmness and overall skin quality without creating the volume associated with traditional dermal fillers.

Using a high concentration of hyaluronic acid, Profilo works beneath the skin to intensely hydrate while supporting the skin's natural remodelling processes.

- Deeply hydrates the skin
- Improves firmness and elasticity
- Helps improve the appearance of crepey skin
- Creates a fresher, smoother complexion
- Ideal for the face, neck & other suitable areas
- Natural-looking results without adding facial volume

Perfect for clients noticing dullness, dehydration, loss of elasticity or early signs of ageing who want their skin to look fresher, firmer and beautifully rejuvenated.

Microneedling

An advanced skin-needling procedure that stimulates the skin to regenerate and repair itself safely and naturally. Micro-needles are able to part the pores of the top layer of the skin without damaging it. This naturally stimulates collagen and elastin production in the skin and is safe to use on different areas of the body for smoother, brighter, healthier, and younger looking skin. This is a simple and safe treatment.

Micro-needling	25 mins	£99
- with Peel & Facial	60 mins	£129

Microblading

Also known as Eyebrow Embroidery, this is a procedure categorized under permanent makeup, but unlike traditional cosmetic tattooing, it is less invasive and is considered semi-permanent.

Microblading typically lasts 1-3 years.
